

February 2024

Dear TCS Families,

I hope this letter finds you well as February begins. I would like to take a moment to update you on the exciting events and initiatives happening at The Cottage School.

First, I want to express my gratitude for your continued support and partnership in your child's education. At The Cottage School, we are devoted to providing a nurturing and engaging learning environment that fosters growth, creativity, and personal development.

We are also committed to creating a diverse and inclusive community who celebrates and respects the unique contributions of all individuals. Black History Month provides us with an opportunity to reflect on the rich history and culture of African Americans and their significant role in shaping our nation's past, present, and future.

We will be honoring Black History Month on campus by highlighting the contributions and achievements of African Americans throughout history at all school levels. We believe that diversity and inclusion are essential to our school community, and we strive to create a culture of respect and appreciation for all individuals. Throughout the month, each school will be featured in EBlast sharing something they have done to acknowledge the history and culture of African Americans and their role in shaping our history. Together, we can create a more inclusive and equitable community that celebrates the diversity and uniqueness of all individuals.

Thank you for your continued support and partnership in your child's education.

In Education,
