Hello, Friends of Trinity!

As Trinity Episcopal School approaches its 74th year of educating the students of Galveston Island, we celebrate a rich history rooted in tradition while looking ahead with excitement and purpose. Guided by our commitment to growing hearts and minds together, we continue building a strong foundation that supports today's students and shapes the promising future of our school.

This year, our Spring Event, "Race for the Roses," set for April 17th, 2026, at The Tremont House, invites you to race to the roses, where timeless elegance meets springtime charm for our largest fundraising event of the year. Similar to last year's success commemorating our 73rd anniversary with "Palm Royale," this year's event promises to be a celebratory occasion you won't want to miss.

We're thrilled to extend underwriting opportunities for this milestone event, offering online and event recognition, as well as, social media exposure through our Instagram and Facebook platforms. We deeply value our active and engaged parent community in Galveston and we are dedicated to reciprocating your loyal support.

Underwriting opportunities are tax-deductible, and your contribution greatly assists us in achieving our fundraising goals. For those interested in attending the Event or contributing to the Auction, we welcome your participation and encourage you to visit our website to learn more about Trinity Episcopal School, our remarkable 73-year history, and our enduring mission.

Having been a cornerstone of Galveston Island for seven decades, Trinity Episcopal School is poised to embrace the opportunities that lie ahead. We remain grateful for your support at all levels and eagerly anticipate the continued success of our school.

Your 2026 Spring Event Chairs
Lauren Childress, Claire Garza, & Lexie Koehler
